1. Aims

The Board of Trustees has decided to pay reasonable allowances from the school's delegated budget to cover any costs that board members incur through carrying out their duties.

This policy sets out the terms on which such allowances will be paid.

By adopting this policy, we will ensure that no member of the community is prevented from becoming a Trustee on the grounds of cost.

2. Legislation and guidance

The [Governance Handbook](#) (section 4.7.1, paragraph 75) says that boards in academies are free to determine their own policy on the payment of allowances and expenses, in line with their articles.

This policy complies with our funding agreement and articles of association.

3. Overview

Members of the Board of Trustees may claim allowances to cover expenditure necessary to enable them to perform their duties.

This does **not** include an attendance allowance, or payment to cover loss of earnings.

Members of the Board of Trustees may claim allowances by completing a claim form (see appendix 1) and submitting it to The Clerk to the Board of Trustees. Allowances will only be paid on the provision of a receipt, and will be limited to the amount shown on the receipt.

Members of the Board of Trustees may claim for:

- Childcare

Where a trustee does not have a spouse, partner or other responsible adult to care for a child/ren during a period of absence, in which that trustee attends meetings of the board, its committees or in otherwise representing the school or Board of Trustees; claims will be limited to reimbursing the actual cost paid to a registered childminder or the cost of a babysitter.

- Care for elderly or dependent relatives

Costs may be refunded in similar circumstances to childcare. Claims will be limited to reimbursing the actual amount paid to a person providing the care that the trustee would have provided during the period of their absence.

- Extra costs incurred because they have a special need or English as a second language

Where the school or Board of Trustees does not provide facilities or equipment to enable a trustee for example to communicate or otherwise take part in the activity in question, claims will be limited to reimbursing the cost of, for example, provision of a signer, audiotapes, braille documentation, or travelling and subsistence for a person providing support, as the case may be. The translation of documents or provision of an interpreter may be met in circumstances similar to a trustee with special needs.

- Travel and subsistence costs
- Mileage may be claimed where the distance between the trustee's home
- and the venue which the trustee is required to attend on
- business related to the work of the Board of Trustees (e.g. meetings, training courses, visits to other providers, etc.) exceeds 3 miles. Where necessary, the cost of parking to enable attendance of business away from the school site will be reimbursed up to the level of the actual charge paid, upon production of a valid receipt. The use of public transport (where available) is encouraged, and fares will be reimbursed on the basis of actual expenditure, up to the level of standard class rail travel. In cases where no public transport or personal vehicle is available, the cost of a taxi fare will be reimbursed up to the level of the actual fare paid, upon production of a valid receipt. Mileage allowance will be reimbursed at the rate of 45p per mile. An allowance of 20p per mile may be claimed for use of a pedal cycle. Payments of expenses where these have been, or are already met by the LEA or other body are excluded from this policy.
- Telephone charges, photocopying, postage, stationery, etc.
- These may be reimbursed where the trustee is unable to use the facilities of the school in the performance of any duty on behalf of the Board of Trustees. Trustees must keep a written record or obtain a receipt, (where possible), relating to expenditure so incurred. Claims will be limited to reimbursing the actual costs involved.
- Other justifiable allowances

Claims will be paid in arrears on a case-by-case basis. Reimbursable costs should be agreed in principle by the Board of Trustees and the Pay, Personnel and Finance Committee **before** they are incurred.

The chair of Trustees (or the vice-chair, where appropriate) may investigate claims that appear excessive or inconsistent. All claims will be subject to an independent audit.

Travel expenses where a Trustee uses their own vehicle must not exceed the HM Revenue and Customs (HMRC) approved mileage rates (see appendix 2).

4. Monitoring arrangements

This policy will be reviewed every two years by [the Board of Trustees. Any amendments will be presented at a meeting of the full Board of Trustees.
