

The Coppice Whole School Newsletter

Friday 1st December 2023

Dear Parents and Carers,

I hope that you have all had a good week and are looking forward to the weekend with your children.

Parking – very important:

As Headteacher of The Coppice, I am acutely aware of the continuing problems being experienced with parking at the majority of school and, as a school, we will always do what we can to promote and ensure that drivers act in a responsible and courteous manner, in order that highway safety is not compromised. This is why, yesterday, we issued a letter from Bromsgrove District Council and Redditch Borough Council to make clear the aspects that Parents and Carers can control when driving cars in or near the vicinity of schools. Hopefully, the reaction to the receipt of this letter will have been a positive one and, if it has, it will have been worthwhile. Please continue to do all that you can to keep our children and community safe when on or near roads. As I mentioned in last week's newsletter, we have had a road safety focus for two weeks with the children in school and will continue to ensure that these messages are constantly reinforced moving forward.

Poppy Appeal:

I am thrilled to announce that The Coppice raised an incredible £564.52 for the British Legion Poppy Appeal. This is a really great achievement and is testament to the support that the children and you, as their Parents and Carers gave to this appeal. Thank you everyone!

The money was raised by the sale of both poppies and other poppy-related merchandise. It was really lovely to receive the thank you certificate (pictured left) from The Royal British Legion and we have proudly displayed this in the school entrance.

I also want to praise our Year 6 pupils, who had responsibility for selling the poppies and merchandise to the other children in school. They did a fabulous job and we were very proud of them all for their part in raising such a great amount of money for such an important cause.

Children in Need update:

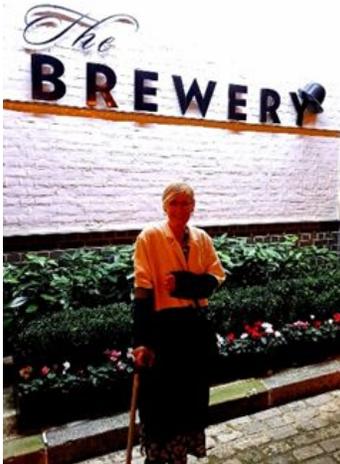

Linked to the above, it is fantastic to announce that our grand total raised for Children In Need was £767.15. This was made up of £269.45 from the sale of raffle tickets to win a toy Pudsey. A further £497.70 was raised from the non-uniform donations that the children brought in. The grand total for Children in Need across the whole country was £33,513,325 which is an incredible amount of money. Everyone at The Coppice and the wider Coppice community can feel incredibly proud of their contribution towards this total. Thank you everyone!

Mrs. Small has a fabulous time at The National Teaching Awards!

Last weekend, our amazing Thrive practitioner: Mrs. Small, had a fabulous time in London at the finals of The National Teaching Awards. I'm sure that you will all remember that she was nominated, and then won, one of only six 'Unsung Hero' Silver Awards (countrywide) at the end of the last academic year.

This award recognised her selfless dedication to the children of The Coppice Primary School over an incredible twenty-five years!

The overall 'Gold' winner was announced on Saturday and, unfortunately, this didn't prove to be Mrs. Small. Nevertheless, in no way did this spoil what was already an absolutely fantastic achievement. In the words of Mrs. Small herself, the Silver Award and subsequent celebration had given her 'memories that will last a lifetime'. We are truly proud of Mrs. Small for the recognition that her award gave her as this was so richly deserved. Well done again Mrs. Small! We hope the photos of Mrs. Small (accompanied by husband Dave) at the event will illustrate just how big a deal this award was!

Spoz visits The Coppice!

On Friday 24th, Year 6 participated in a poetry workshop with Spoz, an award-winning local performance poet. The poetry slam was a qualifying round for the Verve Poetry Festival Schools' Slam Competition. The children worked hard in teams to write and perform poetry on the theme of 'refuge' (this year's National Poetry Day theme). We were really impressed by the empathy children communicated in their poetry and the confidence they showed in performing in front of their peers.

In conversation with Mr Laight, Spoz said that he had a lovely day and that 'the kids are a credit to the teachers and the school', which is always fantastic feedback for us to receive. We are really grateful to Spoz for choosing The Coppice as one of the participating schools in the festival and for the massive effort he put into making sure our Year 6 children had an enjoyable and engaging day. Congratulations to Harry, Mercedes, Gregory, Lucas and Rabia who were chosen to represent our school at the Verve Poetry Festival grand final, which takes place in February at the Hippodrome Theatre in Birmingham.

Tag rugby success!

On Friday, eight children from Year 6 visited Birmingham and Solihull Rugby Club for the district tag rugby tournament. On a cold and damp afternoon, the girls and boys were excited to put into practice what they had been learning at school.

The first 10-minute game against St. Bedes went quickly, with both teams having some good possession. Both teams played well, but The Coppice just edged it, scoring two tries to St Bede's ones. St Bede's 'B,' came next and The Coppice, in full flow, won three tries to zero. The final group game was against Walkwood 'A' and proved to be much more difficult. Walkwood had the majority of the play and we struggled to break through their defence. Unfortunately, Walkwood won the match two tries to one. The Coppice regrouped and got themselves ready for what was to be a nail-biting semi-final against Walkwood 'B', another quick team. The Coppice worked really hard to draw 2-2 at the final whistle.

The game went to extra time, with Shay running the length of the pitch to take us into the final. This meant a rematch against Walkwood 'A', who had beaten us in the group stages. Undaunted, The Coppice team showed that they had what it took. With tries from Shay and Sam, they sealed victory, winning two tries to one!

A huge well-done to the team who all played with respect and showed sportsmanship at all times. Well done Isabella, Rabia, Shay, Sam, Cody, Daniel, Jacob J, Lucas, and thanks to Connor, who came to support and help out. It was also lovely to see some of the ex-Coppice students who started rugby at our school refereeing—Alex, Molly, and Holly.

Irish dancing success for Marnie!

It is fantastic to be able to share the success that Marnie, from 1D, had in her first novice competition in Irish dancing at the Midland Oireachtas regional Feis last weekend.

Marnie greatly enjoyed her day with her fellow dancers from the Scanlon school of Irish dancing and was so happy that she won a medal! A huge well done Marnie!

Marnie's mum told me that they were really amazed with her confidence to go up on stage and compete, which was great to hear. However, they were also extremely proud of the support that Marnie gave to the other dancers that were ranked higher than her and this didn't go unnoticed by those in attendance. Confidence and encouragement for others are qualities that we work hard on to instil in our children here at The Coppice so to hear that Marnie demonstrated these outside of school too is fabulous!

Noah Book Review Success!

One of our children: Noah from 5C, had the honour of winning a book to review from children's review site: 'Toppsta'. He then wrote a terrific review which was published on the Toppsta site. If you want to read his review, you can access it from the link below. Just scroll down and you will see it first in the list under the name 'The Coppice Primary School'. We are extremely proud of Noah for having his review published and it is fabulous to see his passion for reading coming through.

After sharing so much lovely news, that just leaves me to say, as usual, that I hope you all have a lovely weekend with your children and we look forward to seeing you all on Monday. I can't believe that it's December and nativities are on the horizon!

Kind regards,

Mr. Hutt (Headteacher – The Coppice Primary School)
