

# The Coppice Whole School Newsletter

## Friday 11th July 2025

Dear Parents and Carers,

As always, I hope that you have all had a good week and are very much looking forward to the weekend with your children - once again it's going to be hot! As with last week, we've had another great week in school and there is again much to tell you all.

### **Year 6 SAT results – well done children!**

We received our Year 6 SAT results this week and are thrilled with how our children performed. These are the statutory tests that all Year 6 children are required to undertake. After the children completed them in May, they were then sent away to be externally and independently marked. This is the same process for all schools across the country.

The figures in bold below are The Coppice figures and the figure in brackets are the national average figures.

You will obviously therefore see how well The Coppice children have performed against other children nationally. Our results were as follows:

Yr 6 results	% achieving the Expected Standard (Scaled score 100+)	% achieving the Higher Standard (Scaled score 110+)
<b>Spelling, Punctuation and Grammar:</b>	<b>86%</b> (The Coppice) 73% (National)	<b>54%</b> (The Coppice) 30% (National)
<b>Reading:</b>	<b>91%</b> (The Coppice) 75% (National)	<b>51%</b> (The Coppice) 33% (National)
<b>Maths:</b>	<b>92%</b> (The Coppice) 74% (National)	<b>33%</b> (The Coppice) 26% (National)
In <b>Writing</b> , which is not sent away but is teacher-assessed in school (the same as for all schools nationally), we achieved <b>79%</b> at the expected standard (72% nationally) and <b>15%</b> at the Higher Standard (13% nationally)		

We are very proud of our Year 6 children for their achievements and a huge well done goes to all of them! They all did their very best and their attitude towards their assessments was first class! A huge thank you and well done also goes to all of the Teachers and Teaching Assistants who have taught these children over the years. All of them have contributed greatly to the children's successes.

### **Coppice Summer Revel – a great success despite the weather!**

Our Coppice Summer Revel last Friday was a great success and I know that those of you who attended will agree with that. There was a fantastic atmosphere and it was great to see so many of you there and having a lovely time together (**see photo montages on the next page**). For some of our families, this was the first Revel that they'd experienced and we had many compliments about how brilliant the event was. Without a doubt, the community feel of our Revel is always a real standout feature for me.

I want to thank everyone who came and spent their hard-earned money and, obviously, our fantastic PTA for their tireless efforts over the course of this year in organising the event. We truly have a fabulous and dedicated PTA and are very lucky – not every school does! Through everyone's efforts, we raised an incredible amount of money that will go towards ensuring that your children have the best resources possible at The Coppice. We are still finalising the overall total but we know for certain that it will be at least £7,000.00 - thank you so much everyone! It was wonderful too to have so much fabulous live music which included our very own Mr. Lampard, the amazing Coppice Choir and a new addition this year: a brilliant band called 'The One Timers' which included two ex-Coppice pupils. Our incredible gymnasts were also on show and performed brilliantly. A huge well done to everyone!

### **Celebration assemblies:**

A real highlight of this week has been our Celebration Assemblies for Years 1-5 where we recognised the children's achievements for the last half-term of this academic year.

Once again, it was an absolute pleasure to front all of these assemblies and to hear the reasons why the children, who became the recipients of the trophies, were awarded them. The reasons that the teachers articulated about the children chosen were an absolute pleasure to hear and the pride that the children clearly had in receiving these awards was there for everyone to see. We truly have special children here at The Coppice! You can see a full breakdown of who the trophy winners were later on in this newsletter. Team points awards will be announced next week. We will also be celebrating the achievements Year 6 children as part of their Leavers' Assemblies next week.

### **Early Years Celebration assemblies:**

We also held our final Early Years celebration assemblies this week and it was a joy to present certificates to both Nursery and Reception children. (NB. The final part of the Nursery class will be next week). The Reception Celebration Assembly was extra special because they came to the hall to have certificates presented for the first time, as they will when they go to Year 1. Celebration assemblies are always lovely occasions and it has been great to end the year with so much to celebrate. Well done everyone!

### **PTA Inflatable Fun Day!**

It was an exciting day for all of the children on Wednesday when they were treated to an inflatable and fun activity session. Every class had a 45 min session and, when they weren't on the inflatables, the children were able to engage in a range of activities ranging from whizzing around on body boards, racing on the 'wobble' bikes and playing a range of ball games. As you can see from the photos of our Year 6 children opposite, they had a really great time and were very excited about doing something different as the year draws to a close.

A huge thank you again goes to our PTA who organised and supervised the day. As always, the children will be the beneficiaries of all money raised

## Art Ambassadors visit Woodrush!

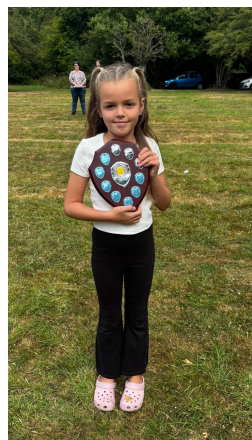

Our Art Ambassadors returned from Woodrush very excited on Tuesday afternoon after experiencing a range of art activities in the Woodrush art rooms.

The children got to experience a technique called 'Gelli printing'. Gelli Plate Printing uses a gelatin plate to press to fabric or paper. The process is easy as the paint is put on the gelli surface, spread out with a brayer then a variety of stencils and other textural objects are placed on the gelli plate, removed and placed on the fabric. This then leaves an incredibly vivid image when placed on a pre-printed background.

I think you'll all agree that the children's end products were extremely impressive. A huge thank goes to Woodrush for inviting our children.

## Outside of school celebrations

Esme Day from 2W and her Brownie group: 177th Brownies won the division shield last weekend at the Brownies fun day where they had a lovely time doing various crafts. A huge well done Esme!

Rosie (3B) and Katie P (1LR), and a few other girls from The Coppice participated in the Stardust cheerleading show last Saturday. All children did really well in their performances, receiving a medal at the end. Rosie also won the 'Mini Star performance trophy for her class. Huge congratulations to you girls!

Cruz (2W), Sebastian (2P), Joshua (2W) who all play for Hillfield FC, took part in Coleshill Town's football tournament and they won! They played 5 games, winning 4 and drawing 1, only conceding one goal. They scored 10 goals in total and Cruz scored a free kick in the final to secure the win. There were 2 fantastic goals from Sebastian and Joshua did some brilliant defending to hold onto the win! A huge well done on this achievement boys!

## End-of-Year Reports:

Just a quick note about your child's end-of-year report as you may be wondering about when you will be receiving these. We can confirm that they will be given out on Wednesday 16th July and will contain key information about how your child has performed over the course of this academic year. More details about your child's report will accompany the report itself.

That just leaves me to wish you all a lovely weekend. As always, we look forward to welcoming the children bright and early on Monday morning for what will be the start of our last week of this academic year - where has it gone?!

Kind regards,

Mr. Hutt (Headteacher)

# Music Listening and Appreciation

This week's playlist was:

2000s

- 1) Will Young - Evergreen (2002)
- 2) Snow Patrol - Run (2004)
