

The Coppice Whole School Newsletter

Friday 30th September 2022

Dear Parents and Carers,

I hope that you have all had a good week and are looking forward to the weekend with your children.

Clubs:

Firstly, can I thank all of you who have recorded their child's options on the clubs' Google Form that was sent out last week. The form closes on Tuesday so please make sure that you have recorded your responses before then as we wouldn't want your child to miss out. Thank you also to those of you who have given some really positive feedback on the range of clubs that will be on offer. We are really happy with what we are offering and feel that there is something that will appeal to everyone.

I have been asked by a couple of parents as to whether the school will be playing any competitive football against other schools over the course of the school year. Due to our school's geographical location, we have never been part of a league. However, we have previously taken part in many stand-alone competitions. Unfortunately, the Covid era put a stall on these but I am adamant that we will once again start to take part in competitions such as this. I have therefore tasked Mr. Edwards and Miss. Wells (Our Physical Education Leads) to investigate what competitions we can enter and to make sure that we go to some of them. Mr. Edwards' words were, 'Leave it with me!' Obviously, you will be kept informed as and when these happen and I look forward to reporting on them.

A huge thank you!

I want to send a huge thank you to those parents and carers who have already responded to my requests for good quality second-hand uniform to be donated so that other families can take advantage of this. As I've said before, these are challenging times so it is important that people from the community find ways to support each other and that we also do as a school.

I've also had some very kind offers of financial donations from some parents and carers, who feel that they are in a position to help others, and I can't tell you how heart-warming this is. We are currently therefore discussing the ways in which these donations can best be used to help those who may be in need. Further information will be released about this soon.

Trainers – important:

I have noticed on the gate recently that a number of children are starting to wear brightly coloured, expensive-looking trainers with their PE kit. Our uniform policy clearly states that only plain black or white trainers (with only low-key branding) are acceptable as these are what keep our children smart and consistent with one another, which is really important to us as a school. We have ensured that the uniform expectations that we have are both achievable and affordable and we do know, from our research, that it is possible to buy a pair of plain white or black trainers for a very reasonable price. Please make sure therefore that your child has the correct footwear for PE lessons.

New Parent Trustees:

Finally, I want to extend a very warm welcome to our new Parent Trustees: Jack Stables, Naomi Cox and Sarah Hughes. We greatly look forward to working with them over the coming years.

That just leaves me, as always, to wish you a restful and enjoyable weekend. We look forward to seeing you all on Monday morning.

Kind regards,

Mr.Hutt (Headteacher – The Coppice Primary School)

Lost Property

We seem to have accrued a lot of lost property already this term. All items which have a name in them have been returned to the right class but we still have a large amount of items with no name. We are very conscious that you have paid a lot of money for your child's belongings and we can not reunite you with them if they are not named. Please please name EVERYTHING! We have numerous PE hoodies and sweatshirts but also an umbrella, a swimsuit, caps, headbands and other items. Please check out our new lost property boxes in the office lobby.
