

Volunteer helpers at The Coppice

Thank you for showing an interest in helping at our school. An extra pair of hands in the classroom helping the teacher, listening to readers or supporting children with their learning is always greatly appreciated.

We understand that parents may like to help out in their own child's class, but this is not always in the best interests of the child. We will however endeavour to place you in the same year group as your child unless you specifically ask not to be.

If you would like to be a volunteer at The Coppice could you please complete the form below.
