The Coppice is one of the top performing schools in the area. We are annually over-subscribed, being a hugely popular school. We have a great reputation for being a warm, welcoming and supportive school. Though in a semi-rural part of Worcestershire, we closely border Birmingham and Solihull.

We are looking to appoint a dedicated, talented Teacher who is committed to raising the attainment of Pupil Premium/disadvantaged pupils through research-informed practice in line with the accompanying job description and person specification.

This is an exciting time to join our school as it continues its development under a new Headteacher and Senior Leadership Team.

Benefits of joining our team:

- A chance to make a real difference to the lives and aspirations of some of our children.
- A new, exciting and well-designed curriculum to deliver to our children.

- Being a large school, there are opportunities for career development.
- We place a high degree of importance on professional development, including membership access to the National College for all staff.
- Staff laptop for every teacher.
