

Coppice Year 1 Newsletter

9th May 2018

This week...

- In Maths, we are learning how to divide by sharing equally.
 - In English, we will continue to innovate our Pirate stories ready for next week's story writing.
 - In Topic, we will be continuing our Titanic topic.
- The children will be ordering the key events and accessing a range of Titanic themed learning activities.

Phonics Screening Homework

With the phonics screening nearing we would like to encourage you all to practise as much phonics as you can at home.

Below are two useful free websites:

www.phonicsplay.co.uk

www.ruthmiskin.com/en/resources/sound-pronunciation-guide/

If you would like to access more resources or would like some guidance please contact your class teacher and they will help you with this.

IMPORTANT NOTICE:

Phonics Screening will be the week beginning the **11th June**.

Please try to ensure that your child is present for this week. All the children have really impressed us by working incredibly hard towards their screening. Any children absent will receive an automatic fail and will be required to resit the test in Year 2.

PIRATE DAY

Year One will be having a 'Pirate Day' on

Thursday 24th May 2018

The children will be designing, making and testing their own Pirate Ship using everyday materials. Please send your child in with 'junk modelling' materials that they wish to use to create their ship (in a NAMED bag).

The children are invited to come in dressed as Pirates for the day !!
