## Head Teacher's News

### Sunny Days

Hopefully the weather should be warming up soon and the children will be able to enjoy the sunshine during their break times.

We would like to remind parents that on sunny days children should have sunscreen (preferably all day lotion) applied BEFORE they come to school as staff are unable to do this during the day.

Please remember that sun hats will protect your children too and children should really have one in school for outside play.

Please ensure that all hats are named.

We are aware that some children may need sunglasses to help with their hayfever and we agree this is helpful. However, we would prefer that, unless there is a valid medical reason, children do not wear sunglasses as we have had some incidents where glasses have been lost or broken that have caused children to be upset.

It is also important to keep hydrated on warm days and children should bring a water bottle every day. Please do not send in squash or fizzy drinks. Thank you.
