## Head Teacher's News

### Sports Days update

What a washout June is turning out to be. It seems more like early spring than mid-summer! There is a real contrast to this time last year in terms of temperature and hours of sunshine.

Unfortunately, there is a knock-on effect with our sports days (next week). The forecast for next week is slightly better, but it is forecast for intermittent, light rain throughout the week, still damp. Also it's not just about finding a window in the weather. Our field is water-logged and it will take at least two or three days of good weather to dry it out so that it's fit for sports days.

Accordingly, given the above, all sports days are cancelled next week. I know parents, particularly working parents who book time off work, will appreciate this notice.

It is the busiest half-term of the year, with lots going on, but we will endeavour to reschedule if possible. Obviously, being weather-dependent, there can be no guarantees. Also, being a large school, with quite a few separate sports days (for different year groups) to reschedule, there might be some difficulties but we will try!

It's such a shame when the elements conspire against us as we are such a sporty school and relish these events.

### Have you any children's books?

#### Assembly theme

The theme for next week will be: "Honesty".

If you have books that your child has 'outgrown', particularly if they are the youngest sibling (with nobody to pass on to), please can we have them? We're on a mission, with the support of the PTA and match funding, to replenish our classrooms to provide the best reading opportunities for our children.

#### Team Points

Week ending 14.06.19  
First- Hawks 390  
Second- Owls 248  
Third- Falcons 216  
Fourth – Eagles 135

We are after books that are in good condition and are the sort of books children would be eager to read. They can be fiction or non-fiction. One of my own children used to be obsessed with the Horrible Histories books, so, when he outgrew these, I brought them all into school and added them to our shelves. If anybody has anything similar, then please donate. Thank you in anticipation!

## This week at The Coppice

Year 3 had a day of African Drumming on Monday with Andy from “Skins and Feet” drumming workshops. The children learned about different beats and rhythms from different regions in Africa and then composed a “song” to perform to parents.

Thank you for supporting Year 6’s business enterprise. First indications are that the children made about £200 profit overall. Well done to our little entrepreneurs!

## Next week at The Coppice
