## Head Teacher's News

### Parents' Evenings

Our school vision is for 'Happy, confident and successful learners....well prepared for life'. The old adage 'Give me a child until he is seven and I will show you the man' is very much what this vision for our primary school is about. The primary years are the most important years, moulding a child for what is to come.

Parents and home life are the most important influence on a child. Accordingly, we need your help in making our children the best they can be. Parents Evenings help optimise the partnership\* between parents and school.

We want to do our best to provide a meeting with quality time that parents find easy to attend. Because of this we have 15 minute time slots, and extend the time available for these meetings:

#### **On Tuesday 15<sup>th</sup> November:**

KS1 (Infants) will be from 2.30 – 7 pm and KS2 (Juniors) from 3.30 – 7 pm

#### **On Thursday 17<sup>th</sup> November:**

KS2 will be from 2.30 – 7 pm and KS1 from 3.30 – 7 pm

***Booking forms will be available in our Junior hall, as usual, from first thing in the morning (from 7.30 am for Care Club parents) on Monday, Tuesday and Wednesday of next week.***

A crèche will be made available and can be booked at the same time.

We will also expect the child to attend the meeting with you because we think it is important that the children are there to hear the messages and understand what they need to do to improve.

We will try to keep the meeting business like, clearly focusing on three main things:

- 1. Regarding achievement, where is the child now? - How do they compare with national expectations?**
- 2. Where do we want them to realistically be?**
- 3. What are we going to do to get them there?**

By the end of the meeting it is hoped that parents will leave with a clear understanding of:

- What their child's strengths/weaknesses are
- What their child is finding difficult and how parents can help with this\*
- Whether their child tries hard enough
- Whether their child participates properly
- How parents can help with their child's schoolwork in general
- Whether their child has made sufficient progress
- Whether their child is happy at school
- Whether their child's behaviour gives any cause for concern

\* You should have a good understanding of what your children's targets are and how you can access their updated targets as they change over the weeks.
