Week ending Friday 18<sup>th</sup> June 2021

## Our learning this week

This week in English, we have been practising our WAGOLL 'Kassim and the Ferocious Dragon', a suspense story! We have also recapped how to write a list of things that are separated with a comma and how to use an apostrophe to show possession. In Maths, we've continued with our height and length topic, using the four operations to answer measurement questions, solve word problems involving centimetres and metres and we ended our week with a short assessment of the skills learned.

## Summer weather

Although the weather is now a little cooler, please remember to send your child with a water bottle each day. Also, we had some heavy showers over lunchtime today and a number of children had come to school without any sort of coat! This meant that those children had to remain under the small covered area in the playground, rather than being able to play freely with their friends. Please don't rely on the day's weather forecast as this can be so changeable!
