Head Teacher's News

Attendance awards

On Wednesday 15th May, 91 children were presented with a bronze '100% attendance star' for achieving 100% attendance in the Spring Term. This follows on from the 229 children who achieved a bronze star in the Autumn Term. 123 of these 229 children were also presented with their silver '100% attendance star' for having achieved 100% attendance in both the Autumn and Spring Terms. This means that of all the children from Reception through to Year 6 in school, 320 have now achieved a bronze star, representing a fantastic achievement for which these children (and their parents) can feel rightly proud! This figure equates to over half of the 600 children from Reception to Year 6 having achieved 100% attendance in one of the two terms so far. Well done children!!

Just to remind you, the stars can be worn on either sweatshirts, ties or summer uniform with the children free to choose which option they prefer. Infants can wear them on sweatshirts or summer uniform. Both stars can be worn at the same time if the children would like to.

Unfortunately, due to the cost of the badges, we won't be able to replace them for free if they are lost so please encourage your child to look after them. Replacements can be bought from the school office for £1.00.

If your child hasn't achieved a badge yet or just narrowly missed out, they can still earn their bronze badge if they attend for every day of this term. For those children who achieved a bronze star this time, they will now have the opportunity to go for their silver star, and for those children who achieved a silver star, they will have the opportunity to go for their whole year 100% attendance badge. This means that every child still has something to aim for!

Remember too that any child with 98% attendance for the whole of this academic year (up to the cut-off point in the Summer Term) will receive the attendance treat in the last week of the academic year.

We do appreciate that sometimes appointments or illness get in the way of achieving 100% for the year which is why we moved to the termly stars reward, meaning that there are plenty of opportunities to be rewarded for attendance in every term.

Thank you again for your ongoing support with your child's attendance and of course well done again to the children who achieved stars.

Kind regards, Mr. Hutt

Maypole Cup football tournament

On Friday 17th May, both Year 6 and Year 5 sent football teams to compete in the 7-a-side tournament at Maypole FC.

The teams were split into two different leagues and played three qualifying matches.

The Year 6 team only conceded one goal during qualification for the semi-finals, but just missed out on goal difference. They won 1 match, drew 1 and lost 1.

They worked really hard and were really unlucky not to qualify.

The Year 5 team managed to qualify for the semi-final by winning 2 matches and drawing 1.

The semi-final was a tight match, but Coppice Year 5 were the better team and progressed to the final where they played Chilcote, who had previously won the trophy.

The final was a really close game with both teams having good periods of possession, at the final whistle it was 1-1. The match went into extra time and just as it looked as if it would be decided on penalties, a cross came over and Harry K leapt like a salmon to score the winner, followed by lots of celebrations.

Well done to both teams.

Year 6 team was Jack S, Dylan P, Jimmy L, Daniel S, Charlie F, Joel F, Harry L, Miles F and Isaak G.

The victorious Year 5 team was Joseph H, Jack PB, Fin F, Max D, Billy P, Harry K, James P, Leo S and Han X.

This week at The Coppice

Year 2 children have completed their month of SATs preparation and tests. It may come as surprise to know that the children seemed to have enjoyed themselves. They have demonstrated resilience and a positive attitude. The teachers are very proud that the children have showed off everything that they've learned. Well done to everyone.
