

# Nursery Newsletter

24th November 2017

## This week we have been...

- Looking carefully at our cress plants and discussing how they have changed from seeds into plants. We have also been thinking about what plants need to grow.
- Creating pictures in the style of Jackson Pollock's work. Look out for our pictures next month as they will become our calendars!
- Learning and practicing our songs for the Nursery Christmas Show!
- Continuing to learn the story of The Enormous Turnip. We have also had a go at changing it by adding different characters!
- Experimenting with magnets and thinking about which objects are magnetic and non-magnetic.
- Using different 2D shapes to make shape cookies out of playdough
- Using pasta shapes and string to create superhero bands!

## Important Dates and Messages:

- Please log onto the School Pupil Tracker Online (SPTO) website regularly to see your child's learning journey. If you have any difficulty doing this please come and see us and we will be happy to help you. Your child's learning journey will form a summary of their progress in Nursery and can be kept as a report of their time here.
- We are planning to do more junk modelling again next week. If possible please send in any boxes, tubes etc. for us to use.
- Our Nursery Christmas performance will be on Friday 8<sup>th</sup> December. The Morning children's performance will begin at 9.30am. The All Day and Afternoon children's performance will be at 2.00pm. Both performances will be in the 'Old' Hall. We hope to see you all there!

## Birthdays:

Happy 4<sup>th</sup> Birthday to Florence!
