## Head Teacher's News

Parent Trustee

The Board of Trustees (formerly known as the Board of Governors) is looking for a new Parent representative to join them as a Parent Trustee (formerly known as a Parent Governor).

You should have received three letters concerning this. If your child did not bring one home, they are available to download from our school website.

<http://www.coppice.worcs.sch.uk/parents/general-letters-and-forms/>

The first letter explains about the election process, the second letter is a role profile and the third is a nomination form.

Please return all completed nomination forms to Mrs L Wheeler, Clerk to the Trustees, who works in the main school office.

## End of the day arrangements

We are very happy with the way that the new handover arrangements from classrooms have been going and would like to thank parents for their support and cooperation with the new system.

We hope you agree that both of the playgrounds have been a lot calmer which has meant a really nice feel to the end of the school day. Could we just ask that parents continue to ensure that they stand well back from the doors where handover is taking place in order that teachers have a good view of everyone who is waiting to collect and so that handover of all of the children can be done quickly, efficiently and safely? It would help greatly too if parents keep younger children away from classroom windows and doors and off steps and ramps where children will be exiting.

Thank you again everyone for your support and cooperation - we do appreciate it.

## Important notice

**On Friday 5<sup>th</sup> October Woodrush High School has a teacher training (TED) day. The Coppice does not and will be open as normal.**

## This week at The Coppice

**Year One children** went out on a walk this week to visit Mrs Gill's (Teaching Assistant) house. Their topic is The Three Little Pigs and they went out to help Patience Pig find some tools to build a house with. They followed a map to the house and discovered a bag of tools and a hard hat! They had a good discussion about what they would be used for. Last week they were on a hunt to find evidence that the Big Bad Wolf had been to The Coppice. Due to the mess left in the classrooms, we certainly believe he has been!

### Harvest Festival donations

Many thanks to those of you who kindly donated items for our Harvest Festival today. The donations will be combined with those given at St Mary's Church service on Sunday and all goods will go to Birmingham City Mission and Narthex Foodbank. For details of the Sunday Church service please see below.

**Request from Miss Carter**- Does anyone have any plastic or wooden play food that they would be willing to donate for Purposeful Play at playtime and lunchtime breaks? If you do, please bring to the school office.
