

NEWSLETTER

Week ending Friday 4th December 2020

Our learning this week

This week in English, we have started a new type of writing! The children have started to explore what we need to include when we write a set of instructions so they have practised using imperative verbs and expanded noun phrases. This week has also been an assessment week so the children have completed tests in both Reading and Maths. We have also filmed our shortened version of the Nativity – more information on this to follow!

Phonics Screening Check

The children have completed the statutory Phonics Screening Check this week. Letters have been sent home today informing parents of their child's results. We are incredibly proud of all the children as each and every one of them tried their absolute best. Well done children!

Reading books

Apologies to the parents of 2CA as last week's newsletter stated book change would be taking place on a Friday when it should have said Thursday. It's quite a logistical exercise to get everyone's books changed so please bear in mind that all classes book change day may alter some weeks in order to fit around planned lessons.

Christmas Jumper Day

Next Friday (11th December) is the 'Save The Children Christmas Jumper Day'. In exchange for a £1 donation to this great charity, the children may come to school wearing a Christmas/festive top alongside the rest of their school uniform.
