

Coppice Year 1 Newsletter

8th October 2019

This week we are learning:

- **Maths:** We are learning to compare and order objects and numbers, using our Math's vocabulary 'greatest' and 'smallest'.
- **English:** We will be innovating the story of The Three Little Pigs by changing the characters.
- **Geography:** We will be using an aerial map of Wythall, to walk around the local community. The children will be identifying key physical features.

W.O.W word of the week: 'aerial view' - a bird's-eye view of an object from above.

We will be sharing new vocabulary with the children that will support our learning in class. Can you use the word at home?

Creative learning at home (optional):

Autumn walk— what signs of Autumn can you identify?
You could bring in Autumn items to share with the class.

P.T.A School Disco:

The first P.T.A disco is coming up soon - Thursday 24th October, 3.15-4.15pm. If you would like your child to attend please purchase tickets online Parent Pay.

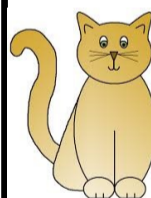

Reception and Year One children can wear their own clothes to school this day, even if they are not attending the infant disco.

Knowledge organisers:

Please ensure you are looking at the Knowledge organisers that were sent home earlier this term. We will be quizzing the children on this knowledge at the start of Science and Geography lessons. Please see your child's class teacher if you require a new knowledge organiser.

Concept Cat:

We will be introducing a new concept to your child each week. We will model using the word as much as possible during the week. Can you use this word at home?

Almost— The cup is almost full.
