Year 1
Our week ahead - 09/10/20

We are continuing home learning this week until we can all be back in school on Friday. We will continue to upload lessons day by day so you have one english, maths, phonics, reading and foundation task a day. Here is what we are looking at this week.

- English – Continuing to looking at sentence structure.
- Maths - looking at the part, part, whole model.
- Geography - We will be looking at Wythall!
- Science - Handling various materials and describing their properties.
- Handwriting - this week the focus will be on the letters 'd' and 'g'.

Reading - Bug Club Phonics

Reading is a vital part of the children's learning and a huge focus in year 1.
It is our expectation that every child log onto bug club phonics to read the books and complete the activities that they are allocated.

This week we will be allocating the alphabet song for the children to practise.

Handwriting

The children have been learning how to form 'caterpillar letters' this week - they have been doing a fantastic job of trying to use the handwriting lines like the ones that we attached last week.

Online learning

We hope you found the 'Meet the teacher' videos useful and you are finding our online learning platform helpful.

Just a few notices:

Phonics play - the free **march20** log in will expire on October 21st.
Phonics bloom is a fantastic website which you can use for free.

Purple Mash, which you should have logins for (if not please contact you class teacher)has lots of fun things to do. Please feel free to let children explore the site and complete as much or as little as they like.
Let us know if you have any problems logging in and we will do our best to help.

Learning at home

We just wanted to say a huge well done to all the adults. You are doing a great job at supporting your children while juggling life! Please feel free to email us with questions and queries, we are here to support as much as we can.
We love seeing what the children are up to so please send us photos and updates about how you are getting on!
