

Year 1

Our week ahead - 09/11/20

Now we have all happily settled back after Half Term, here is what we will be learning this week:

- English - learning the story 'Monkeys Hat'
- Maths - subtraction number sentences.
- History - we will be looking into the history of Bonfire Night and past traditions. (A Knowledge Organiser will be sent home but it is also on the website)
- Science - An investigation into 'Which material is the most absorbent?'
- Handwriting - 'u' and 'y'

Reading for Pleasure

Each class would like to make a display to celebrate the children's love of reading. We would love it if you could email your class teacher with a picture of your child reading their favorite book in their favourite place! We look forward to seeing some super pictures!

Nasal Flu immunisation

You should all have received a letter this week about the nasal flu immunisations that will be taking place at school on Monday 30th November.

If you could ensure that these letters are returned to school, no later than Thursday 19th November.

These letters need to be returned whether you would like your child to have the immunisation or not.

Spelling Shed and Keywords update.

On Monday the children will bring home an update on there keywords (from the assessment completed prior to the half term holiday). They will also bring home log on details and information about the Spelling Shed website. This is an online resource will be using to practice spellings at home.

Forest School

A reminder (especially as the weather is very unpredictable now!), that if children could bring in their own waterproofs, it would be greatly appreciated. The school does have waterproofs but as you can appreciate, with the current situation, it is very tricky to 'quarantine' the waterproofs between sessions. Children having their own, named, waterproofs in school will alleviate this problem.

Date Reminders:

- Tuesday 10th November - Individual photos
- Friday 13th November - Non School uniform

Pencil Cases

- We have had lots of children return to school without pencil cases. Please could you ensure that pencils cases are returned to school. If the pencil case and all items inside could be named, this is important to ensure that children do not mix items up.
