

Year 1

Our week ahead - 7/12/20

Here is what we will be learning this week:

- English - Nativity Story - writing assessment.
- Maths - 1 more/1 less teen numbers with problem solving.
- Design & Technology - building a house (If you could bring in any cardboard or kitchen tubes on Monday, that would be super!)
- Handwriting - 'p' and 'h'.
- Phonics - alternative spellings for 'ee' (as 'e_e' -even), 'ee' (as 'ie', 'ey', 'y').
- Spelling - words ending in 'er'.

There will be **no forest school** for the final two weeks of this term. We will be sending waterproofs and wellies home from Monday to be washed and the sizes checked. These need to be returned the first week back in January. Please could you send a plastic bag to school on Monday. We would highly recommend you sending in your own waterproofs, if you haven't already, if they can be slightly over sized so they can fit over your child's coat. It is getting really cold!

Nativity We will be filming our class nativities on Monday. Please could all children come to school with a Christmas jumper. The children have all got a line and if you can help them to learn that line so they know it off by heart that would be really helpful. The Nativities should then be available to watch from the Home Learning Site from Thursday.

My Maths

Some parents have mentioned having trouble logging on to MyMaths. Just to remind you that there are two login screens - The first is to log on to the school's account...

School Username:
coppice4
School Password:
cosine39

You will then be taken to a second login screen where you put your child's login details.

🌲 Last day of term 🌲

This year, as I'm sure you'll understand, we won't be able to have the usual Christmas parties for the children. We will however on the last day of term (Friday 18th) have a relaxed 'Christmassy' day, where the children can come in their own clothes and enjoy a few games and a Christmas movie. As per Mr Heptinstall's letter, please do not send your child in for this if they are unwell, we all need to be as careful as possible to ensure the safety of the wider community.

We are aware of an issue with ipads and Bug Clubs Phonics. The following link should help:

Christmas isn't cancelled competition.

Hollywood Christian Life Centre and St Mary's Church have collaborated over a Christmas picture competition. They have provided a different picture for each year group for the children to colour, paint, stick and decorate. They are then asking parents to put the picture in a front window for everyone to see as they walk to and from school and around their area over Christmas.

To enter the competition parents should take a photo of the picture and post it on a special new Facebook page called "Christmas isn't cancelled". The churches will then decide the winners.

The first 100 entries will all receive a small prize and the winner of each year group will receive a voucher for 'The Entertainer' Toy shop.

Meadow Green and Hollywood Schools are also being given the opportunity to take part in this competition so get really creative and let's see if Coppice pupils can take the prizes!
