

Thursday 28th February 2019

Dear Parents/Carers,

As you are aware, SATs are fast approaching. Recently, many Year Six students have been asking us if there are any good, reasonably priced books available for revision of Mathematics and SPAG (spelling, punctuation and grammar).

For this reason, we have purchased question books and revision study guides from CGP for these subjects. As a school, these publications cost us £2.50 each, whereas they are £4.95 when bought individually online.

The school has purchased a question book for each child as the children will be using these books for homework from now until the completion of SATs. Mathletics and Spellodrome can still be used as additional homework, but will not be part of the children's weekly homework expectation.

While the question books have been purchased entirely with school funds, the study guides to support revision will need to be purchased, should you want one. They are filled with explanations and examples for the content that will be covered during the SATs test. The cost is £2.50 for the maths revision guide and £2.25 for the SPAG (as opposed to £5.95 each RRP). The payment can be made via ParentPay and the books will then be sent home with your child. If you have any further questions, please feel free to ask a member of the Year 6 team.

Many thanks,

*Mr Laight and Miss Gatfield*
