

Our school is working with
Mathletics and UNICEF to
support schools in Zimbabwe

REMEMBER!

Earn at least 1000 points per week
to receive your special **UNICEF**
Ambassador certificate!

Mathletics

Every
250,000
points

students earn in
Mathletics equals
another \$1 donation
to fund our projects
with UNICEF.

Like bringing clean
water to Yvetty's
village, so she can go
to school instead of
walking 5km a day
to fetch water for her
family.

Isn't that a good
reason to finish your
homework?
