

# Coppice Year 1 Newsletter

9th January 2018

## Happy New Year

We hope you had a wonderful break! The children have come back eager and ready to learn. We have welcomed Mrs Perry and Miss Townsend into Year 1.

Mrs ===

## This week...

- In English we will be learning the story of Noah's Ark and also how we can use the prefix un to change the meaning of words.
- In Maths we will be learning all about time, reading and writing o'clock and half past. Please encourage your child to look at clocks to reinforce telling the time.
- In Topic we will be learning about the differences between mammals, fish, amphibians, reptiles and birds.

## Reminder

Please make sure you are recording the titles of the books your child reads each week. These need to be recorded in your child's reading diary. It is very important as we use this as a way of tracking how often they are reading.

Thank you.

Please bring a named hat, scarf and a pair of gloves for Forest Rangers as it is getting very cold!

## Homework

All Year One teachers have set some time and days of the week activities on Mathletics this week. Please ensure your child completes these activities.

Mathletics can also be used on tablets. All you need to do is download the app and you are ready to go!

## Baby Girl !

Mrs Wormington gave birth to a healthy baby girl on 1st January 2018 !

## 1H Assembly

**1H's class assembly is on Friday 12th January at 2pm in the new hall.**  
Miss Harris would like to remind all 1H parents that children must come in to school on Friday in normal school trousers/skirt and shoes with a top which is a **fire colour** e.g. red, orange, yellow.
