W/B 20.11.17

Maths:

This week we have been working on Area and Perimeter. A task has been put on Mathletics for the children to complete linked to their learning.

English:

Last week, in English, the children began to internalise our new WAGOLL 'A Christmas Carol'. We will be working on looking at different tenses, Standard English, prepositional phrases, homophones and using expanded noun phrases to write a detailed setting description.

Project homework:

The children have another week to complete their homework that was set last week on 'pollution'. We look forward to sharing their work next week.

Christmas Performance:

The Year 4 Christmas performance is **Thursday 14th December** and will begin at **1:30pm**. A maximum of 2/3 guests per child please. We look forward to seeing you and hope to get you into the festive spirit.

The children will be given a copy of the poem 'Twas The Night before Christmas', which they need to learn ready for our Christmas Performance (not all verses need to be learnt by every child - they are identified on their sheet).

Christmas Fair this year is on Friday 1st December 5pm-8pm
