

Coppice Year 1 Newsletter

23rd January 2018

This week...

- In English, we are changing the story of Noah's Ark, thinking of a new character and a new setting.
- In Maths, we will be using the 'part, part, whole' method to secure number bonds. Children can practice their number bonds on:
<https://www.topmarks.co.uk/maths-games/hit-the-button>
- In Topic, we will be learning all about carnivores, omnivores and herbivores and grouping animals according to what they eat.

Word of the week

A new feature on the Year One weekly newsletter is a word of the week.

The Year One team will choose a word for you to discuss at home.

You could:

- Write a definition for the word
- Write a sentence containing the word

Unfortunate

We will be reinforcing this word in class throughout the week.

Reminders:

- Please make sure children are reading at home and this is being recorded in their reading diary.
- We are pleased to see lots of children going on Mathletics. Please keep up the hard work!
- Read Write Inc paper books need to be returned on a *MONDAY*.

Animals

In Year 1, we are currently learning all about 'Amazing Animals'. If you have any pets at home we would love to hear all about them. Send your child in with a photograph or drawing of their pet(s) and your child can tell us all about them in Show and Tell.
