

YR4 NEWSLETTER

Week beginning 27.11.17

Maths:

Next week, we will be having our assessment week. The children will have a chance to show off what they have learnt in Year 4 so far. A few activities have been set on Mathletics for them to complete.

English:

Last week, the children were all given a copy of the poem 'Twas The Night before Christmas', which they need to learn ready for our Christmas Performance (Not all verses need to be learnt by every child - they are identified on their sheet).

Pollution Homework:

Well done to the children who brought their pollution projects in today. We shared them within the class and team points will be awarded to the children.

Christmas Performance:

The Yr4 performance is **Thursday 14th December** and will begin at **1:30pm**. A maximum of 2/3 guests per child please. We look forward to seeing you and hope to get you into the festive spirit.

Remember - this Friday is the School Christmas Fayre!
