

Coppice Year 1 Newsletter

29th January 2018

This week...

- In English, we are creating problems for our own stories.
- In Maths, we will be using ten frames and the 'Part, Part, Whole model' to subtract.
We will also be creating our own subtraction stories.
- In Topic, we will be learning about our bodies. We will be naming all of the main body parts that we can see as well as organs inside our bodies.

1T Assembly

1T's assembly will be on Friday 2nd March at 2pm in the New Hall.
Miss Townsend will be sending home words to learn and costume information this week (see communication books).

During the wet and cold months please can you make sure your child brings spare socks to school for Forest Rangers. If your child has come home with spare socks, please return them to school. Thank you.

Reminder

Reading - Please ensure that you are reading to or listening to your child read everyday. This needs to be logged in your child's reading diary. Also encourage your child to write a sentence about the books they have read or their weekend. Please allow your child to write the sentence independently using their sounds but support them to use capital letters, full stops, finger spaces etc.

Thank you for those of you who are already doing this.

Word of the week

Subtraction

You could:

- Write a definition for the word
- Write a sentence containing the word

We will be reinforcing this word in class throughout the week.
