

YR4 NEWSLETTER

Week beginning 5.2.18

Half-termly spellings

**Answer, Business, Eight, Length, Height, Popular
Occasionally, Weight, Sentence**

The spelling test will take place in the last week of Spring 1 half-term (week beginning 12th February).

Reading

Each week reading diaries are checked to see if the children have been reading at home. As well as reading with your child, please test them on the following four reading skills: *predicting what will happen next, summarising what has happened, discussing any interesting words/phrases and inferring a characters thoughts and feelings.*

If you need any guidance on the above reading skills, please talk to your child's class teacher.

This week in Year 4

This week in English we are writing newspaper reports, first about the mysterious Bermuda Triangle and then about the Lochness Monster! Feel free to do any research about these topics with your child at home. In maths, we are continuing our work on fractions and decimals. The mathletics activities are linked to our learning in school so are great practice!

With thanks,

Miss Willcox
