

Nursery Newsletter

11th October 2019

This week we have been...

- ... practising our counting.
- ... making fairy cakes.
- ... doing some 'Muscle Moves' activities, to help develop strong muscles needed for mark making and writing.

Important Dates and Messages:

- **Our first Parent Consultation Evening** of the year will take place on Monday 18th November. Sign-up sheets will be available after half term
- **We ask for a £5 cooking/craft donation every half term.** Please send donations in a sealed, named envelope and hand to Nursey staff. Thank you to those who have already sent in contributions.
- **Please remember - we have children in Nursery with severe allergies** – no foods containing nuts or sesame in lunch boxes. Thank you.
- **Application forms for a place in one of our Reception Classes** have been sent out in book bags – please contact us if you have not received your information yet.
- **Please bring wellies** into Nursery as we are playing out in all weathers!
- **We encourage our children to be independent.** Please help us by teaching your child to put on his/her coat independently. We will obviously lend a helping hand if needed!
- **From half term, starting on Thursday 7th November,** we will be going to Forest Rangers every Thursday morning. Children can wear their own suitable, weather appropriate clothes - arms and legs covered and **wellies are essential.**
- **We are appealing** for donations of compost for use in Nursery – any quantity is acceptable!
- **After half term** we will be inviting you to parent workshops to help you learn more about physical development, reading and communication and language. Please look out for dates coming soon!

Happy Birthday to: Lillie and Thomas.
