Homework reminder:

For this terms optional homework project, we are asking the children to **design** an instrument they would like to make using recyclable materials. We would like them to bring in any materials, which they think would make a good instrument, on Wednesday 22nd (4B and 4VW) and Thursday 23rd (4AW) ready for our DT lesson. This links to our science topic - sound.

Multiplications check:

During the weeks of 10th June and 17th June, Year 4 children will be completing their multiplication checks. They will individually be completing their check focussing on the 6, 7, 8, 9, 11 and 12 times tables. Please continue to support your child in learning their times tables.
