

Nursery Newsletter

Published on 24/01/2020. W/c 27th Jan

This week we have been...

-making Numicon biscuits .
-listening for the initial sounds 'ssss' and 'mmmm' in words.
-helping Kitty to learn about 'forward'.

Important Dates and Messages:

Please remember that Nursery will be closed on the morning of Thursday 27th February as all staff are visiting an Ofsted graded 'outstanding' Early Years setting. All day and afternoon children should come to Nursery at 12.30 on that day.

- **After February half term, our focus will be about 'People Who Help US'.** Is there anyone in your family who would be prepared to visit Nursery and tell our children all about the work they do? (We are looking for police officers, medical personnel (doctors, nurses, physios, ambulance crew) dentists, lollipop man/lady.
- **Thank you to everyone who has already sent in the £5 contribution** towards our cookery and craft activities this half term. Please send money in a named, sealed envelope. Thank you.
- **We need junk modelling materials please** – especially thin cardboard boxes such as toothpaste/cereal boxes of all sizes. No more milk containers, please, but we do need milk lids.
- **Chinese New Year is on Saturday 25th January.** If you get the chance, pop along and watch the celebrations in Birmingham on Sunday 26th. In celebration, we will be tasting Chinese food next week. We will try spring rolls, rice and fortune cookies. **Please advise us of any food intolerances/allergies your child may have.**

Happy Birthday to: Erin.
