

Nursery Newsletter

25th September 2020

This week we have been...

- Exploring the other classrooms and the different areas within them as well as the outside area.
- Learning about the concept 'Little'.
- We have been singing nursery rhymes.
- We have explored and played in the adventure playground.

There are a number of children who have told us they would like milk. Please ask your child if they would like milk at nursey and if so fill in the 'Cool Milk' form on the Nursery admission page. ☺

Important Dates and Messages:

- We won't be starting Forest Rangers until after half term therefore wellies will not be needed until then but if you would like to bring them in sooner we can keep them safe until we need them ☺ Please ensure they are clearly named.
- Thank you to all the parents who have donated £5 we appreciate this so much! We are still taking donations therefore we kindly request that you send in a £5 donation for this term's craft activities. We rely on this money to purchase craft items and ingredients to make our playdough on a weekly basis and without your donations these activities will not be possible. Please hand your £5 donation to your child's teacher in cash, in a named envelope. Thank you in advance! ☺
- We are trying to promote children drinking water. Children can have squash at lunchtime but we ask that you send water in for their drink in the classroom. If a child does not have water in the classroom we will put squash back in their bag and give them a beaker of water. Thank you for your support.
- Thank you if you have sent your family photo frame in. If you haven't please remember to send in a photo frame of your family for us to display in our classroom.
