This week we have been...

- Performing our Christmas show! ☺
- Learning about the concept of the 'under'.
- Searching for hidden 'bad' characters around our classrooms and ticking off who we have found.
- Learning the story of 'Billy Goats Gruff' and creating a story map as a class.

Happy 4th Birthday to Nancy, Ruby, Esme and Oliver!

Weekend Activity

At the end of term we will be sending home your child's 'self-registration' boy or girl. Next term the children will need to find their name at the start of each Nursery session. Therefore, we ask that over the Christmas holidays you spend time with your child practising recognising their name.

When encouraging your child to recognise their name, please ensure that the first letter is a capital letter and the remaining letters are lower case letters, e.g. 'Daisy' (not 'DAISY').

If you would like to challenge your child, you could write your child's name and other family member's names on different pieces of paper and hide them around a room at home. Then play a game with your child to see if they can find their name/ their brother's name/ the dog's name etc.)

This will be the last weekend activity we will send this term, so we would like to take this opportunity to thank you for your continued support with your child's weekend activities as well as taking the time to write on SPTO each week. We really do appreciate it! 😊
