

# Nursery Newsletter

16th February 2018

## This week we have been...

- Being detectives! We have had two mysteries to solve.

On Monday we received a message that a big bang and crash had been heard and we discovered a broken wall and egg shells on the floor in The Quad. The children worked out that Humpty Dumpty had had a great fall!

On Wednesday Mrs Flynn heard a scream in the Phizz Lab and when we went to investigate we discovered a bucket of spilt water and a girl's and boy's shoe on the floor. The children were excellent detectives and worked out that these items must belong to Jack and Jill!

- The children all helped to make pancake batter and enjoyed tasting pancakes on Tuesday.

## Birthdays:

There are no birthdays in Nursery this week!

## Important Dates and Messages:

- We would be interested to receive feedback about School Pupil Tracker Online (SPTO). This is the website which you can access your child's learning journey on. Do you enjoy this facility? Do you look regularly? Do you find it helpful? Please let us know if you have any comments by writing them in your child's communication book. We look forward to hearing your feedback. 😊
- We have not set a homework activity for half term. We just want you to enjoy your time together.
- Coming soon: Bed time story session! We will be inviting the children to come back to Nursery in their pajamas for a bedtime story session in the early evening where they will receive a hot chocolate drink and a cookie. More details and dates to follow after half term.
- Parents Evening will be on Wednesday 21<sup>st</sup> March. Appointments will be 10 minutes long. You are welcome to book an appointment at different time if you wish to discuss something further. More information and times are to follow.
- World Book Day will be on Thursday 1<sup>st</sup> March. Children are invited to come dressed as one of their favourite book character if possible!
