

Nursery Newsletter

16th March 2018

This week we have been...

- ...Enjoying our 'Science Week'. The children have had so much fun during our pirate themed week. We have been busy carrying out exciting science experiments! Pirate Pete sent us some old and dull looking treasure along with some salt and white vinegar. We added this all together and watched as the treasure became beautiful and shiny again! The next day, Pirate Pete sent us some colorful treasure (skittles sweets). The children helped to arrange the skittles around the edge of a plate. We then carefully added water and watched in amazement as a beautiful rainbow pattern appeared in the water. We have also been learning about floating and sinking and have tested four different boats to see which ones were the most buoyant and would make the best pirate ship. We think that the children have all been excellent scientists and they have all really impressed us with their brilliant thinking and excellent ideas. Well done everybody!

Birthdays:

There are no birthdays in Nursery this week.

Important Dates and Messages:

- Don't forget that Parents' Evening is next Wednesday 21st March. If you have not already booked an appointment please speak to your child's teacher to arrange one. At Parents' Evening we will be selling nursery jumpers. These items are used but in good condition and could make a good spare to add to your collection! If you would like one, we ask for a £1 donation in the honesty box. We will put any donations received towards buying new resources.
- We will not be writing in your child's Communication Book next week due to our staff staying late for Parents' Evening during the time that we would normally write in books. Please send in your child's Communication book as normal on Monday. We thank you for your understanding with this matter.
- We will be holding an Easter Bonnet Parade in the last week of term. This week and next week your child's homework will be to create an Easter bonnet or hat to wear during the parade. The parade will be held just before home time in Nursery's outside area. We will let you know which day ASAP. (We have spotted a 'Make your own Easter Bonnet Kit' in B&M for £3.99 if you'd like something to get you started!)
- Please ensure that all of your child's uniform and any additional items such as bags/bottles are clearly named. Thank you. ☺
