

Nursery Newsletter

20th March 2020

This week:

- We have looked at different shapes and tried to find squares and talked about how each side is the same length.
- We have been practicing trying to draw triangles and squares.
- We have been practicing counting syllables with claps for different words.
- We have learnt about doctors, thank you to our visitors who came to talk about their role being a nurse and a physiotherapist.

Important Dates and Messages:

- We would like to inform you that Mrs Higgitt will be retiring at the end of this term. After Easter, Miss Bradley will be teaching the Town children on a Monday, Tuesday and Wednesday and Mrs Twilley will continue to teach the children on a Thursday and Friday. Mrs Higgitt has been such a valued member of our team and we will all miss her greatly but we wish her the best of luck in her retirement. To ensure a smooth transition and hand over, Miss Bradley is currently spending four days a week with the Town class getting to know them and their individual needs. She is very much looking forward to teaching the children throughout the summer term and we know that you will give her your full support.
- We are asking parents to leave their child at the door and we will support them with putting away their bags, coats and water bottles.
- We have set up some online learning for you to do at home. Please go to the following website:
sites.google.com/coppice.worcs.sch.uk/coppice.
- We have sent home a 'home project'. Please see the sheet and resources provided in your child's book bag for further instructions.

Birthdays:

Happy Birthday to Jamie!
