

# Nursery Newsletter

6<sup>th</sup> July 2018

## This week we have been...

- We have done PE twice this week on the field. The children enjoyed skipping with ropes, bouncing on space hoppers, throwing and catching and playing with bats and balls.
- Designing and then making silly faces out of playdough.
- Making collages and thinking about the textures of the resources we have used.
- Searching for letters and recording what we found in our outside area.
- All Day children have continued to focus on 'We're going on a bear hunt' and Morning and Afternoon children have continued to focus on 'Goldilocks and the three bears'. We have had a go at changing the story to make it a bit different!

## Birthdays:

There are no birthdays in Nursery this week.

## Important Dates and Messages:

- A reminder that this Friday (today) will be the last time we will send home Communication Books. Therefore there is no need to send them into Nursery again. We encourage you to keep your child's Communication Book as a record of their time at Nursery.
- If your child has a place in our Reception please return their green admissions forms to school ASAP. If the school does not receive them your child will not be allowed to start in September as we will be missing vital information such as contact details and allergies etc. Thank you! 😊
- Next week we are in need of large boxes and sticks. We would like shoe box sized boxes or bigger and sticks (without jagged bits if possible). Thank you in advance. 😊
- A big thank you to George's daddy for coming in on Armed Forces Day to tell us all about being in the Army.
