

Parents' Evening

This year our Parents' Evening will be conducted virtually via Schoolcloud. More information about this is available on this week's main school newsletter and on our school website.

When choosing an appointment time for your child it is very important to choose a time when your child's key worker is available to talk to you. We ask that before booking a slot, you refer to the below list and make sure to choose a time slot when your child's key worker is available. For example, if your child's key worker is Mrs Twilley, you would need to choose one of the slots on Monday 16th between 12:00pm and 3:15pm or Monday 23rd between 3:45pm and 5:45pm. If you are unsure who your child's key worker is please speak to a member of Nursery staff.

Please see below for details of when our appointments are available:
