Parents Reading Workshop

Monday 24th / Tuesday 25th / Thursday 27th

We will be holding a week of reading workshops in school. It will be an opportunity for one adult per child to come into school to watch a phonics lesson, support your child in reading activities and share a story read by the class teacher. At the end of the day there will be an opportunity to ask any questions about how we teach reading in school and how we encourage and develop a 'love of reading attitude' for your children. Each class will have booking forms available from Monday 27th January outside the class (and then every afternoon next week).

On the day of your booked workshop please come to the 'morning gate' at 2:20 pm where a member of staff will meet you. The session will finish at 2:50pm where there will be an opportunity to ask any general questions you may have on how to teach reading skills. We look forward to seeing you there.

Reminders:

- Forest Rangers: Children must have gloves, hats and spare socks please.
- Children need to be in school by 8.45am.
- Water only in water bottles please, no squash!

100% attendance

Well done to all the children who received their bronze star badge for a full attendance during the autumn term. You can wear them on your jumpers to school but don't lose them – you only get one! If you didn't get one try and get one this term, if you did keep it up for a silver badge!

Do you have any bird feed (it must be nut free) that you would like to donate? We would like to feed the birds next week.
