

## Reception: Our Week Ahead

### 6th January 2020

Published on 20.12.19

Our first newsletter of 2020!

Children will return to school on **Tuesday 7<sup>th</sup> January 2020** – we look forward to seeing you then 😊

Our first week back – What are we going to be learning?

- Telling our friends what special items we received for Christmas.
- Reminding ourselves about George's Rules.
- A story called "Mr Wiggle and Mr Waggle" and performing this in front of our class.
- Practicing our key words.
- Working on our questioning skills in science.
- Practising using scissors correctly and safely.
- Learning what we mean by 'odd and even' by using numicon.

We would like to take this opportunity to say a huge **thank you** to everyone who has donated time, supplies or charity money this term. We would not be able to do everything we do without your support and we really appreciate everything you do. If you would like to help in class in the New Year please speak to your class teacher.

### Early Excellence.

Your child's learning journal has been updated for this term. Please take a look at these with your child. We would love to receive some replies from you too. You can add comments on the journal pages and evidence for class teacher to see.

We are sending PE kits home for a wash. Wellies have also be sent home. Please check that these still fit comfortably and return to school on the first day of school with names still visible.

We will not be going to forest rangers on the first week back. Children can come to school in their regular school uniform this week.

### Reminders:

#### Uniform

Please ensure children return to school in January with the correct uniform, including only grey socks and navy headbands. A uniform list can be found on our website. Please ensure that all school uniform is clearly labelled.

#### Drinks

Children should be sent to school with a labelled bottle of water every day. This must be water and not squash. If your child will not drink water, please use flat flavoured water or use a coloured water bottle. It can cause upset in class if a child brings in squash.
