## Job description

A full job description and job spec. are available through our school office.

## Essential educational requirements

QTS

## Essential qualifications

QTS

## Essential skills and experience

As set out in the National Teachers' Standards

## Employee benefits

- There is great support for any newcomer - we are three form entry, so you will be working with a team of experienced staff who will assist with planning, preparation and assessment.
- Our children are lovely, being well-behaved and motivated to learn.
- Enhanced starting salary for exceptional candidates.
- Being a large school, there are more opportunities for career development.
- We place a high degree of importance on the professional development of staff (as noted by Ofsted).
- Staff laptop for every teacher
- We offer a heavily subsidised BUPA membership

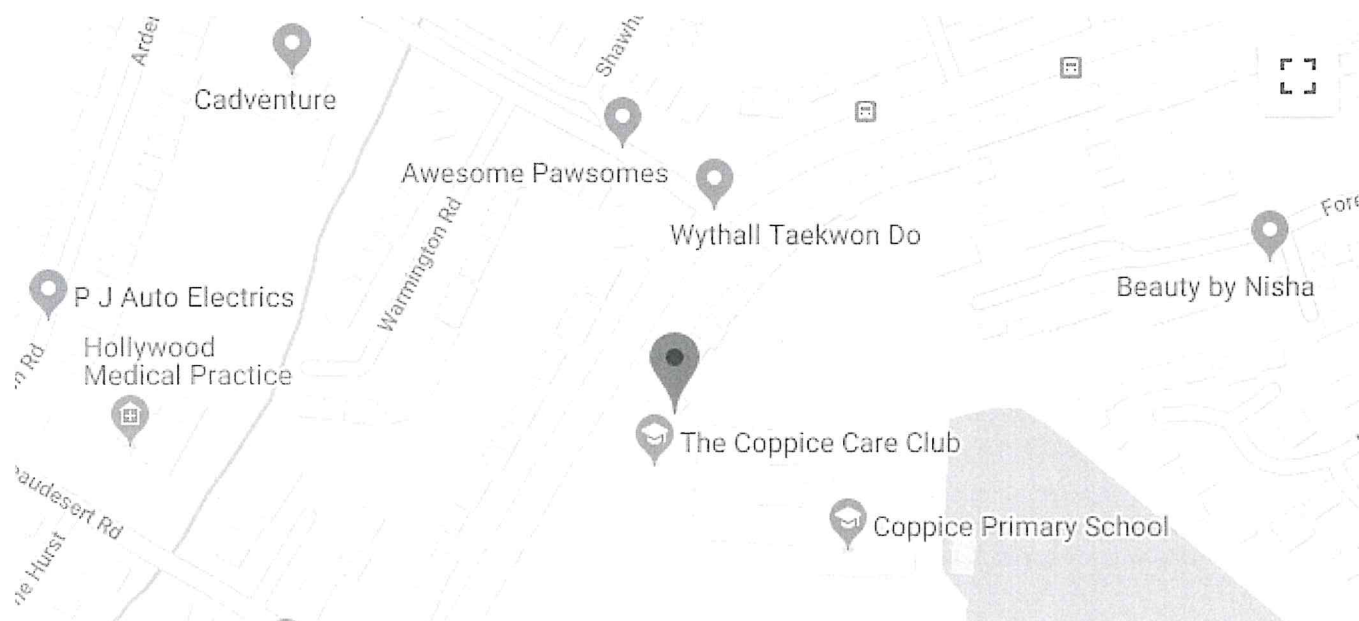

The Coppice is one of the top performing schools in the area. We are annually over-subscribed, being a hugely popular school. Though this job is not aimed exclusively at NQTs, we do have a superb NQT induction programme, recognised as 'excellent' by the Local Authority. We have a great reputation for being a warm,

welcoming and supportive school. Though in a semi-rural part of Worcestershire, we closely border Birmingham and Solihull.
