

## Reception: Our Week Ahead 25th November 2019

Our week ahead – What are we going to be learning?

- Continuing our topic on space finding out lots of facts that the children want to know!
- Listening to, sequencing and retelling the story of Beegu by Alexis Deacon.
- Thinking of how people feel (when we may feel differently) related to the Beegu story.
- Describing 2D shapes by using their properties to name them.
- Creating shape pictures and using shapes to problems.
- Creating our own big scale versions of Kandinsky art.
- Extending our vocabulary with our new curiosity cubes.
- Practising our Christmas play songs and dance.

WOW words: Gravity

A pull towards the ground

### Forest Rangers

It is really important (as the weather is getting colder) that children have hats and gloves and come to school in a warm coat. They are outside for at least an hour and it gets very cold. Wellies / thick socks also keep their toes cosy. Children would also benefit from having some spare socks in case their feet get wet.

### Tea Towels

We are selling tea towels that we have had made from your child's drawing of themselves. We have displayed them in the windows to view. If you would like to buy some they are £4.50 and should be paid for via parent pay. Once payment has been made then we will give them out to you. They would make a lovely keepsake for your child as every reception child and member of staff is on them or a great Christmas present! All the profit we make goes back into enhancing your children's curriculum so we thank you in anticipation for your support.

### Reminders:

- PTA Christmas fayre is Friday 6th December 5-7:30pm.
- Nativity performances. Each child will be given 2 tickets for the morning and 2 tickets for the afternoon performance.

RD – 16<sup>th</sup> December

RG – 17<sup>th</sup> December

RT – 18<sup>th</sup> December.

### Reading Keywords.

It is really important children regularly practice their keywords in school but also at home. Each class has a keyword wall that the children try to move up as they can read (and then spell) each set. You can keep the words we send home at home so they can be accessible to your child. We have also put the words in a slide show on our website. If you go to The Coppice Website / Our Curriculum / EYFS and scroll right to the bottom there is a 'keyword' presentation so you can download it practice them on the go!

More information for parents can be found in our [Curriculum Policy](#) and in the following documents:
