

Dear Parents/Guardians,

Your child has expressed an interest in joining the Coppice Primary School football club.

Team training sessions will be held on a Thursday after school (3:15-4:30). These sessions will be run by Mr Laight, Mr Edwards and Mr Pittaway on school grounds (field/hall dependent on weather). There is no charge for these sessions.

As part of football club, there is also the possibility of competing in inter-school matches against other local schools, so any interested players should be confident and available to play competitively against other schools. There will always be advance notice of any competitive matches.

If your child is interested in joining the school football team, please fill in the slip below and have it returned to Mr Laight as soon as possible. The first session will be on Thursday 14th September.

I would like my child _____ (name) to attend football club after school on Thursday afternoons.

Signed _____

Children will be brought to the front of school at the end of the session, so please ensure they are picked up by a responsible adult.
