

# Our Week Ahead

Week beginning: 23rd March 2020  
Published on: 20.3.2020

## Our week ahead - What are we going to be learning?

- Next week we are having a 'Science' week as part of our 'Understanding The World' area of the curriculum.
- We are going to be doing lots of investigations and experiments, talking about what we can see / hear / smell / feel.
- What a prediction is and making some of our own.
- Please ask your children what investigations they have been experiencing – we hope they will have lots of exciting things to tell you!
- Exploring liquids turning to solids – making ice lollies.
- We will have new arrivals hatching in our classrooms, just in time for Easter!
- Using language to describe length and shape.

We apologise for having to postpone the trip to Attwell Farm. We are hoping to do this trip at a later date.

**POSTPONED**

## W.O.W – Word Of the Week.

This week's word is: **experiment**

*"What scientists use to find things out."*

We hope you are all looking after yourselves and each other.

## Easter Creative Competition

On the last day of term we are holding an Easter craft competition. Children can make an Easter craft at home such as a bonnet, an Easter garden, an Easter cake, anything as long as it is made and Easter / Spring themed! There will be prizes given for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place. We cannot wait to see your entry.

## Phonics sounds of the week:

We will be revisiting:

**ay**

may i play?

2. day, play, may, way, lay, say, may, spray

**ee**

what can you see?

2. see, three, bear, green, near, keep, need, sleep, feel
