

Dear parents/carers,

In Year 5, children are allowed to bring in a pencil case and stationery of their own that can be kept in their desks. All equipment such as pencils, rulers, etc will still be provided by school but we understand that some older children like to use their own.

Below is a list of the stationery that your child is allowed to bring in and use during lessons from September.

- A pencil case (Not a massive one!)
- A handwriting pen. (Not biro pens)
- A pack of coloured pencils
- A pencil
- A rubber
- A ruler
- A pencil sharpener (which holds the sharpenings)
- 4 different coloured highlighters

We ask that children do not bring in unnecessary equipment - especially no felt tips, compasses, tippex, sharpies, toys or gel pens! We also request that children do not bring in anything that is too over the top from shops such as Smiggle as this stationery can be distracting for other children.

If you have any questions, please do not hesitate to email Mrs Giles (vw42@coppice.worcs.sch.uk).

Kind Regards,

Mrs Giles, Mrs Blundell, Miss Franklin and Miss Whitehead
