

## The Coppice Autumn Spelling Bee

The Coppice will be having an Autumn Spelling Bee competition for the whole school. Your spellings will be based on the spelling words and sounds you have been learning this term. A list of those words is attached. If you have been regularly using 'Spellodrome' you should already know the majority of the words.

You will be tested on a random selection of 20 of the words from the list - but you will not know which 20 words your teacher will choose!

Once the tests are completed they will be sent to Mrs Ashwell and Mr Laight for marking. They will award team points depending on how well you score.

Score	Team points
20	10
19	5
18	5
17	4
16	4

We hope that you spend some time practising your spellings and sounds as we would like to see lots of you scoring 20/20.

There will also be a 'Spelling Bee Certificate' for anyone who achieves full marks.

The team points given will then be collated together and added to our 'Team Point Totaliser'.

Who will be the Spelling Bee winning team?

Owls? Hawks? Falcons? Eagles?

Good luck and get practising!
