

Nursery Newsletter

6th November 2020

This week we have had lots of fun celebrating our 'Harvest Week'.

- We received a video message from 'Farmer Giles' telling us that the birds were eating his seeds. To help him we have made four scarecrows. Look out for them in our outside area!
- We've planted seeds and discussed what they need to help them grow.
- We have tasted different fruit and vegetables to help 'Farmer Giles' decide which ones to use to make soup.
- We had fun exploring Forest Rangers for the first time (Monday morning children).
- We have explored capacity using water.
- We have made and decorated playdough pumpkins.
- We've been using our arm, wrist and hand muscles in muscle moves.

Important Dates and Messages:

- What a wonderful week we have had. We have been so impressed with the way the children have settled back into Nursery after our half term break.
- Thank you for all of your donations for 'Harvest' week, we look forward to making our outside area colourful with the bedding plants.
- Parents' Evening will be during the weeks beginning 16th and 23rd November. Please see our separate letter titled 'Parents' Evening Information Letter' for more information about this.
- This half term, will be going to Forest Rangers on a Monday morning. If your child attends for this session, please send in a pair of named wellies to be kept at Nursery. Please can children wear plain jogging bottoms (blue or black) with their Nursery polo-shirt and jumper/cardigan. Children will need a warm coat or waterproofs that you don't mind getting muddy. We ask that a change of socks and trousers is sent in too incase they get wet and muddy during the session. Please can spare clothes be sent in a named plastic bag each week. Children will be given a biscuit at Forest Rangers- please inform a member of Nursery staff if your child has any allergies relating to this.
- Please ensure that your child has a book bag that is sent in on their first day of Nursery each week. We will not be able to send books home for children without book bags.
- Please ensure that your child has a named water bottle that contains only water and not squash. This is needed for each session that your child attends Nursery.
- **We politely request that siblings do not touch any of our outdoor equipment at drop off and pick up times. This is to prevent cross-contamination between bubbles**
