

# Nursery Newsletter

13th November

## **This week we have been...**

- Learning about the concept of the word 'different'.
- Using our crocodile fingers (pincer grip) to pick up very small objects and thread cheerios onto pipe cleaners.
- Focusing on The Gingerbread Man story. We have discussed who the characters in the story are, sequenced the story and made Gingerbread men using gingerbread playdough.
- Learning about how everyone is different and how everyone likes to play with different things in PSHE.
- Drawing chalk circles on the floor and using water and paintbrushes or dusters to make them disappear.

## **Important Dates and Messages:**

- Thank you to everyone who has booked a parent consultation on Schoolcloud. If you haven't already, please can you ensure you book an appointment. Thank you!
- Once a term your child will be the focus child. This is when we spend more time observing your child while they play to find out more about their interests and how they are progressing. You will receive an email the week before to inform you when your child will be a focus child. The following week we will ask you to log onto your child's online learning journal where you will see photographs, observations and be able to celebrate the things that your child has achieved.
- To avoid congestion we will be opening our gates slightly earlier at home time. If your child attends morning sessions in the Berry class, the gate will be opened from 11.25am. If your child attends afternoons or all day sessions in the Berry class, the gate will be opened from 3:10pm. If your child is in the Conker class, the gates will be opened from 2:40pm.
- If anybody has any spare junk (boxes, tubes, tubs etc.) for our junk modelling area please send it in to us as we would love to include it in our provision.
- If your child would like to receive milk at Nursery please go to [www.coolmilk.com](http://www.coolmilk.com) to register your child.
- We politely request that siblings do not touch any of our outdoor equipment at drop off and pick up times. This is to prevent cross-contamination between bubbles in school.
