Hello,

English: During this half term, the children have been looking at suspense stories. We learnt a WAGOLL (what a good one looks like) called 'The Red Eye', then looked at the structure of a suspense story, wrote one together as a class and finally, today, the children have written their own. They have produced some fantastic stories using spooky adjectives to build tension.

Maths: During this half term, we have been focussing on fractions. We will continue after Easter with this, looking at adding and subtracting fractions with the same denominator as well as finding fractions of amounts. If your child would like to play some games over Easter, please see the link below.

Multi-Sports Club: On Thursdays, Mr Edwards is holding a Year 4 Multi-Skills Club. If you would like your child to take part, it is £5 per session. Please email Mr Edwards if you are interested
