Hello,

MTC: From now, until after the Multiplication Tables Check, Times Tables Rockstars (TTRS) will be all of the children's weekly homework instead of MyMaths. If they would like to continue with the MyMaths games/activities they may do so. The expected amount of games for the children to play, weekly, is 8 – 10 games. On Tuesday, the children had the chance to log onto the MTC application and complete a 'test run'. All the children were able to familiarise themselves with the layout and the process. The real multiplication check will take place on *Tuesday 22nd June*. The results will not be available until *Monday 28th June*.

Maths: Next week, we will be starting to learn about time. As time was not teacher taught last year, due to the school's closure, we will be going back to basics starting with o'clock, quarter past, half past and quarter to. If you would like to give your child the chance to have a go on some telling the time games, before we begin teaching time, please click this [link](#).

Dates for your diary:

- *Thursday 27th May:* Whole class photos. 4MW, as you have PE on this day, you will need to come into school in your school uniform and change into your PE kit. This also applies for any children who are attending an after-school club.
- *Friday 28th May:* Deadline for final payments for Upton Warren. Please see the school website for Kit Lists and any further information.
- *Friday 28th May:* School closes for half term
- *Monday 7th June:* School reopens for the final term of Year 4!
- **Multiplication Tables Check:** The MTC will take place on Tuesday 22nd June. Results will be available the following week (Monday 28th June). The test should take the children no longer than 5 minutes.

Have a lovely weekend,

Miss Wells, Miss Whiteley, Miss Johnson
