

Year 1

Our week Ahead - 18/9/20

This week we are starting our topic on the Three Little Pigs. It will be weaved throughout all of our subjects this half term. We will be looking at materials in science, to help us eventually build our own wolf proof house! In Geography we are starting our topic 'Where in the world are we', specifically learning about the UK and where we are within it. In art we will be learning skills to help us draw a self portrait and in PE we are working on multi-skills.

Bug Club

Well done to all the children who have read their online Bug Club book. A reminder that you will have access to a new book on a Friday.

We hope you are all enjoying the new website!

PPA

On Monday afternoon the class teachers have their planning, preparation and assessment time and are therefore not in class. The children have a different adult and will be doing Music and Creative activities.

1T - Mrs Beavington
1D - Ms Townsend
1RB - Miss Gough

Forest Rangers

We have been really lucky with beautiful weather for Forest Rangers so far this term. As the weather starts to turn, we would advise you to send your children in with their own waterproof jacket and trousers. We would keep these named waterproofs with your child's wellington boots.

Lidl currently have offers on children's waterproof clothing: <https://www.lidl.co.uk/en/p/kids-rainwear/lupilu-kids-waterproof-trousers/p34883>

Please could all children with long hair make sure that it is tied up on Forest Ranger Days. All children must wear long sleeve tops and trousers. If children come in wearing lace up shoes, please can you ensure they can tie them themselves, if not please wear slip ons.

Lupilu Kids' Waterproof Trousers

£ 5.99

Lupilu Kids' Raincoat '1

£ 7.99

My Maths

Last week you receive your log on for My Maths, which has replaced Mathletics.

If you haven't had a go at the My Maths task, please could you do it over the weekend. Teachers will look at this on Monday and assign a new task to support the maths work we are doing in class.

Reminder

Please could children only have water in their water bottles, rather than squash or juice. This is a school rule.

All children need coats in school everyday.
